

Charlotte, NC Labor Guidelines

For Exhibits, Exhibitions, Displays and Trade Shows – Public & Private

To simplify show preparation, we are certain you will appreciate knowing in advance that labor will be required for certain aspects of your exhibit handling. To help you understand the show site work rules, we ask that you read the following:

Union Labor

Since North Carolina is a right-to-work state, exhibitor personnel may set up their own exhibits if so desired. Union Labor is available to assist in the erection and dismantling of exhibit booths. Exhibit labor, freight and rigging labor, electricians and plumbers can be arranged at established rates, using the enclosed order forms.

Exhibit Labor Jurisdiction

Union exhibit labor claims jurisdiction for the installation, dismantling, and first cleaning of prefabricated exhibits and displays unless this work is done by exhibiting company personnel. They are not required to place your products on your display, open cartons containing your products, or perform testing, maintenance or repairs on your products. If, however, you hire any labor to assist you, it must be through the Official Service Contractor or a contractor which meets all of the regulations as an Exhibitor Appointed Contractor (EAC). Labor can be ordered in advance by returning the attached Display Labor order form, or on show site at T3 Expo's Service Desk.

Freight Handling Jurisdiction

T3 Expo receives and handles all exhibit materials and empty crates. It is their responsibility to manage docks and schedule vehicles for the smooth and efficient move-in and move-out of the event. T3 Expo will not be responsible, for any material they do not handle and will have control of the loading docks at all times. Vehicles must not be left unattended at the loading areas. Any unattended vehicles will be towed at owner's expense. The Fire Marshal absolutely prohibits the storage of empty containers in the exhibit hall.

General Information

Tradesmen should be directed not to voice grievances or directly challenge exhibitors' practices. Any questions from labor should be addressed solely to the T3 Expo representative at the Service Desk. Exhibitors are requested to avoid expressing labor complaints directly to trades personnel. Any inquiries about contract labor should be directed to the T3 Expo representative at the Service Desk.

Safety

Standing on chairs, tables, or other rental furniture is prohibited. This furniture is not engineered to support your standing weight. T3 Expo cannot be responsible for injuries or falls caused by the improper use of this furniture. If assistance is required in assembling your booth, labor can be ordered through T3 Expo by returning the Display Labor order form in this Exhibitor Service Kit in advance, or returning it on show site to T3 Expo's Service Desk.

Tipping

T3 Expo requests that exhibitors do not tip our employees. They are paid at an excellent wage scale denoting a professional status and we feel that tipping is not necessary; this applies to all employees. Any request for tipping should be brought to the attention of a T3 Expo representative at the Service Desk.
